

BOLNORE LEISURE SITE – HAVE YOUR SAY!

Dear Villager

Last year the Bolnore Residents Action Team ('BRAT') – part of BVRA - worked closely with Mid Sussex District Council (MSDC) to drive forward the development of the leisure site between Middle and Lower Village.

Every Bolnore resident now has the chance to have their say in how the site is finally developed. MSDC and BVRA are displaying draft plans in the foyer areas of 3 MSDC venues (see below).

It really is important that as many people as possible go along to see the displays and comment on the plans.

Nothing has been finalised, and local comment really does make a difference. Many of the facilities on the suggested plans are a **direct result of the previous BRAT questionnaire, conducted last year**. Your comments shaped the plans then; they can shape them again now.

We suggest that there is one particularly important point to consider. The plans show that traffic will flow through the village to the site, rather than off the bypass. There is already a temporary road directly off the bypass used for haulage. We are campaigning to make this the permanent access way to the new leisure site, so avoiding many more cars coming through the village to use what will be a major leisure facility for Mid Sussex. ***If you would rather traffic did not come through the village, please indicate your support by visiting the consultation displays at the locations below and entering your views in the comments book or via the questionnaire, which will also be available.***

Consultation displays will be available at the venues below from **January 15th onwards**. Each display will have a comment book and questionnaires for you to have your say – so please do take part and help Bolnore get a great leisure facility for us all to enjoy.

Oakland's Reception - Mid Sussex District Council, Oaklands, Haywards Heath
Monday - Thursday: 08:45 - 17:00 and Friday 08:45 - 16:00

Olympos, Hayward's Heath - The Dolphin, Pasture Hill Road, Haywards Heath
