

BOLNORE VILLAGE PRE SCHOOL

Dear Residents,

Let us introduce ourselves; we are Holly and Sian Armstrong. We come to you, the residents of Bolnore Village, with our vision for 'Bolnore Village Pre School'.

Our Pre School will be boasting a wide range of resources and offering an inviting and stimulating environment for children to play, learn and grow. The children will be encouraged to respect each other, the community and the world around them. Highly qualified and professional staff will ensure all children are seen as individuals and are given every opportunity to reach their full potential.

We are exploring the viability of a Pre School providing quality childcare for children between two and five years old (accommodating children aged 3-5years utilising their 15 hours per week free entitlement).

Before we can do this, we need to know how many parents would take advantage of this service and take into account the views of local residents. At this stage we are not asking for any commitment from parents, but need to know the level of interest and potential concerns.

If you would be interested in using the Pre School at some stage or wish to share your views, please fill in this questionnaire. You can also complete the questionnaire electronically by visiting the BVRA website.
